The Judo Volunteer Workshop 2020 will be replaced by the new Sports Event Official Training Program. In this new program, the participants will first obtain knowledge essential for supporting high-level judo events. In addition to the online training, they will also participate in the practical phase of the training program by applying their knowledge in the form of carrying out event official duties in national/regional events. Participants who pass the online courses and complete the required practical requirements successfully will be eligible to participate in future international events held in Hong Kong or overseas.

Curriculum

Online:

- 1) Sports Event Support Official Part 1 - Judo Scoreboard Operator Course (Registration deadline for next course: Oct 25, 2020)
- 2) Sports Event Support Official Part 2 – Event IT Expert Course

In-Person:

- 3) 8 hours x 2 sessions for a total of 16 hours of practical training

Note: All of the above requirements would need to be completed within 1 year.

For the interested parties, please sign up for the next upcoming online training organized by the Judo Union of Asia and World Sports University. At the completion of the course, a certificate will be granted by WSU/JUA. The full cost will be reimbursed upon producing the certificate and payment receipt from the online course at the completion of the practical session.
